Boat
Dazzling Blue

For children

Baby Dalmatian
White/Bachelor Button

Baby Crab
Bachelor Button

Amazing graphics with potential!

Once the t-shirt is outgrown it can turn it into a fashion-forward and environmentally friendly tote bag with a simple DIY.

1. Cut off the sleeves and neck of the tshirt.

2. Cut three strips of cloth from the sleeves (about 10mm wide). On the bottom hem cut three small slits.

3. Insert one strip into each section, pull the strips and tie them together.
